Welcome to Silverline Montessori Cypress Towne Lake

October is here and it is time to start thinking about pumpkins, halloween, and some creepy crawlers. We are so excited for all the fun fall themes! We will be having a Mystery Theme week the first week of October. There may be scavenger hunts or even making their own detective kits! Then there will be the Explorer week. Columbus Day and Leif Erikson Day fall in this week so the students will be making explorer boats and viking hats in celebration. Then it is all about Pumpkins. Using their fingers, the students will be creating their own "Thumbkin Patch." That will lead us into the Fall Harvest theme. Then in the last week the theme will be Creepy Crawlers. There will be a fun activity planned for all the kids for Halloween that week, too. October will be a month to remember.

Just a few reminders:

1. Please drive slowly in the parking lot.
2. Check e-mails for any updates, news, etc.
3. Check KidReports as well
4. Please remember to sign your child in and out every day.
