

# SILVERLINE MONTESSORI

18434 Cypress North Houston Rd, Cypress, TX 77433

July 2019

## *Welcome to Silverline Montessori*

July is finally here, and it's time to celebrate our independence! Silverline has a ton of fun planned for the month of July and we are so happy that you all will be a part of it! On July 2<sup>nd</sup>, we will be taking our Elementary students on the first Silverline field trip to Urban Air for a day of jumping and classroom bonding. On July 3<sup>rd</sup>, we will be hosting a Trike-a-Thon. Please bring your child's bike or trike that morning labeled with their first and last name. Don't forget their helmets! Silverline will be closed on Thursday, July 4<sup>th</sup> in observance of Independence Day. We hope that you all have a fun and safe holiday! When we get back on the 5<sup>th</sup>, Kona Ice is coming to our school to give the students a nice cold treat. Did you come to the last Mommy and Me Yoga class? It was a great experience and we will be hosting another on July 8<sup>th</sup> at 5:30. On July 17<sup>th</sup>, we will be hosting a Multicultural Night. If you are interested in displaying decorative items and food from your culture, please let the admin team know. All families are welcome to participate. July 25<sup>th</sup> will be the Mock-tails with Ms. Nikkie event. The topic of discussion: Screen Time for Children. (More details to follow.) Lastly, Silverline will be hosting a Parents' Night Out on August 2<sup>nd</sup>! Perfect time for a date night or just catching up on your favorite Netflix show. We will have a sign-up sheet and more details in the upcoming weeks. Have a wonderful July, everybody!

## *Featured Teacher:*

Our featured teacher for the month of July is Ms. Jada McGee. Although she has been with Silverline a short time, she has stepped into her own and created lasting bonds with the students in the Primary classrooms. Ms. Jada brings so much joy to her students and makes even the most challenging of tasks fun. Thank you, Ms. Jada, for being a part of our family! We appreciate you and everything you do!

## *Montessori Corner:*

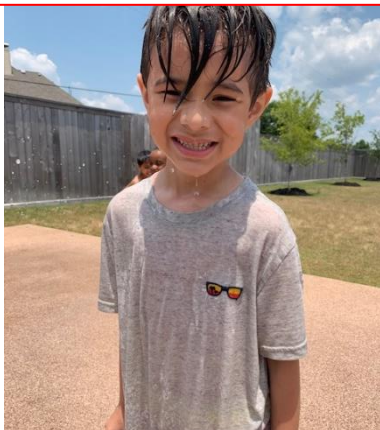

The third year, or Montessori kindergarten year, is when all the learning that has taken place in the previous two years reaches fruition and a child's knowledge begins to fall into place. Your child will be challenged to reach his/her potential by his/her Montessori teacher who knows your child incredibly well and so can provide precisely what is needed next. Children build upon what they have learned, experience rapid academic and social growth and their skill level dramatically increases when they are given the opportunity to consolidate their knowledge within the Montessori classroom. Third year students are ready to explode into more complex learning and discovery and they delve into a wealth of new and interesting materials. They are guided to take on more and more complex work, begin to learn time management skills and have an increased set of expectations and privileges in the classroom. These older children also reinforce their academic skills by helping another child, a well-documented way to consolidate knowledge.

# SILVERLINE MONTESSORI
