Main Camp Themes

Aquatic Adventures: 06/02/25 - 06/06/25

Dive deep into an underwater world of imagination! Campers will explore the ocean's wonders through fun water games, marine biology activities, and creative crafts inspired by sea creatures. Let's make a splash in this oceanic adventure!

Artistic Inspiration: 06/09/25 - 06/13/25 Let your inner artist shine! Campers will unleash their creativity as they try painting, sculpting, and more. With art-themed games, projects, and inspiration from famous artists, this week is all about colorful fun and imagination.

Blowing off STEAM: 06/16/25 - 06/20/25

Ready for an explosive week of messy, hands-on fun? From Pop Rock science to catapults, airplanes, and volcanoes, this camp is packed with everything that goes boom, pop, and splat. Prepare to unleash your inner scientist and have a blast!

Adventures Unlimited: 06/23/25 - 06/27/25

Gear up for a week of action-packed excitement! From epic scavenger hunts and wild STEM challenges to thrilling relay races and obstacle courses, campers will embark on non-stop adventures that keeps the fun rolling!

Plant Power: 06/30/25 - 07/04/25

Discover the secret life of plants in this eco-adventure! Campers will dive into hands-on activities like experiments with osmosis and photosynthesis, all while learning about the incredible power of plants through outdoor exploration and eco-friendly fun. They'll be amazed at the wonders of the natural world they'll uncover!

Master Chefs: 07/07/25 - 07/11/25

Let's cook up some fun! Campers will step into the kitchen to whip up kid-friendly recipes, learning cooking techniques, kitchen safety, and tasty dishes from around the world. Get ready to mix, measure, and munch on your delicious creations!

Game Masters: 07/14/25 - 07/18/25

Calling all game lovers! Campers will become game creators and strategists, designing and playing games that test their skills in logic, strategy, and a little bit of luck. Let the games begin!

All Ball: 07/21/25 - 07/25/25

It's time for a ball-tastic week! Campers will dive into all things "ball" – from classic sports to playground favorites, quirky games like bocce ball, ballroom dancing, juggling, and crafting ball-inspired snacks. If it's got a ball, we're playing it!

Crazy Contraptions: 07/28/25 - 08/01/25

It's time to build the wildest gadgets you can dream up! Campers will take on engineering challenges like marble runs, tall structures, and origami inventions, learning teamwork and creativity as they go. By the end of the week, they'll be proud of the amazing contraptions they've built!

Legendary Creatures from Around the Globe: 08/04/25 - 08/08/25

Campers will discover captivating stories of fantastic creatures from around the world. Will we encounter dragons, unicorns, mermaids or centaurs? Each day will be filled with hands-on activities as we craft imaginative creatures, explore fascinating legends, and bring these stories to life through skits, storytelling, music, games and creative crafts. This will be an unforgettable journey into the world of myths and legends!

Freaky Forces: 08/11/25 - 08/15/25

Get ready for some freaky fun as we explore the mysterious forces of physics! Campers will create lava lamps, launch catapults, make color spinners, and more as they dive into the science of magnetism, sound, buoyancy, and motion. They'll have a blast while learning about the fascinating world of physics!

Futuristic Fun: 08/18/25 - 08/22/25

Step into the future with this high-tech, space-age adventure! From designing futuristic fashion to building robots and exploring space travel, campers will blast off into an exciting week filled with futuristic games and technology.
